Titan's Tales and Other Dog Adoption Love Stories by Julie Chalpan is a book paying tribute to shelter dogs, their caregivers, and their new families.

Titan came into Julie and Keith's lives one Saturday more than a dozen years ago and they are forever grateful. **Titan's Tales and Other Dog Adoption Love Stories** tells a few of Titan's tales, along with stories of more than 38 other rescued dogs.

Julie and Keith adopted Titan from Gwinnett Humane Society and a portion of the sale of each book goes to Gwinnett Humane Society. *(Book price: \$14.00)*

On July 2, GHS supporters and guests joined us at our Adoption & Community Center to celebrate the joy animals bring to our lives. Julie was on hand to personally sign books and share the tales.

Books may be purchased at our Adoption & Community Center at The Avenue Webb Gin. Visit our website for a map and directions. For more information about **Titan's Tales and Other Dog Adoption Love Stories**, visit www.titanstales.com.

Thank you, Julie, on behalf of GHS and all the animals and families whose lives we've touched over the years.
